

National Disability Employment Awareness Month

National Disability Employment Awareness Month (NDEAM) recognizes the role people with disabilities bring to a diverse workplace. The Agency Talent Portal (ATP) can help you celebrate NDEAM, by focusing recruitment efforts on individuals with disabilities.

Recruiters can search the USAJOBS profiles of users who have opted into the searchable database and filter them by:

Series

Grade

Occupational Skills

Location

Hiring Paths

Education

How can Agency Talent Portal help with NDEAM recruitment?

Search for Resumes

Explore the USAJOBS database of searchable resumes and filter candidates by using the Individuals with Disabilities hiring path filter.

Save Candidates

Save candidate information to a hiring campaign and message candidates about upcoming jobs open for Schedule A hiring or agency recruitment events.

Create an Event

Create a career informational event to be posted on USAJOBS that focuses on recruiting individuals with disabilities. You can discuss current openings, hold interviews or direct job seekers to apply through USAJOBS.
