USAJOBS® Agency Talent Portal

What is the Agency Talent Portal?

The Agency Talent Portal (ATP) is a recruitment platform that helps federal human resources specialists, recruiters, and hiring managers discover highly skilled talent.

Search Resumes

Search over 1.5 million profiles and resumes in the USAJOBS database. You can narrow your search by:

- Series
- Grade
- Occupation
- Skills
- Location
- Hiring paths
- Education

Save Candidates

Save candidate information to a hiring campaign and message them about upcoming job openings or recruitment events.

Create Events

Create a career-related event to be posted on USAJOBS.

Who can use the Agency Talent Portal?

You can use ATP if you are a federal employee who does recruitment work, such as a:

- HR specialist
- Recruiter
- Hiring Manager
- Disability Program Manager
- Recruitment Event Coordinator

Why use the Agency Talent Portal?

With ATP, you can:

- Collaborate with hiring managers and HR specialists on hiring actions.
- Proactively engage with talent.
- Support critical hiring needs, such as mass hiring or hard-to-fill positions.

How do I get an Agency Talent Portal account?

To request an account, send an email to:

Recruiter-Help@USAJOBS.gov

The USAJOBS Help Desk will review your request and grant you access, depending on your agency's policies. You will get an email with a link to access ATP.
